Quotation on 100W LED Solar Street Light

NO.	Item	Parameter	Description	Picture	Unit Price (EXW USD)
1	Solar Panel	230W	<ul style="list-style-type: none"> ·Polysilicon solar panel ·Maximum power at STC: 230W/PCS ·Power tolerance: ±5% ·Working temperature: -40°Cto 85°C ·Panel dimension: 1640×992×40×35mm ·Working life ≥ 20 years ·Warranty: 5 years 	<p>SHIXIN LIGHTING 11th years Gold Supplier</p> <p>Jiangsu Shixin Landscape Lighting Co.,Ltd.</p>	US\$65.90
2	Led Lamp	100W	<ul style="list-style-type: none"> ·Model: 100W LED LAMP ·Power Factor:0.98 ·Efficiency:120lm/w ·Lumen:12000lm ·Surge protection:4/4 ·Temperature Rating:-40°C ~ +55°C ·Protection: IP65 ·Chip: Bridgelux ·TC:3000–6500K ·Working life:≥ 50000 hours ·High efficiency led lamp ·Aluminum model led lamp shell ·Warranty: 5 years ·Lamp dimension: 610*260*62mm 	<p>SHIXIN LIGHTING 11th years Gold Supplier</p> <p>SX-LED-LD-04</p> <p>Jiangsu Shixin Landscape Lighting Co.,Ltd.</p>	US\$30.20
3	Battery	12V 200AH(2*100AH)	<ul style="list-style-type: none"> ·Gel lead acid storage battery ·Nber of cycles at 80% of discharging:600 ·Nber of cycles at 30% of discharging:1800 ·Work TM: -35°C to 60°C ·Working life ≥ 10 years ·Warranty:5 years 	<p>SHIXIN LIGHTING 11th years Gold Supplier</p> <p>SX-XDC</p> <p>Jiangsu Shixin Landscape Lighting Co.,Ltd.</p>	US\$187.70
4	Battery Box	SX-XDCX	<ul style="list-style-type: none"> ·Plastic box waterproof ·Excellent performance in heat preservation ·Service life ≥20years The product contains clamp, stainless steel screws, hose, sealing ring ·Warranty:20 years 	<p>SHIXIN LIGHTING 11th years Gold Supplier</p> <p>SX-XDCH</p> <p>Jiangsu Shixin Landscape Lighting Co.,Ltd.</p>	US\$10.70

5	Wind Turbine	600W	<ul style="list-style-type: none"> ·600W high efficiency wind turbine ·Start-up air speed: 2.0 m/s, rated wind speed: 10 m/s ·Safety wind speed: 45m/s ·With 6 leaf installation the three screws, easy installation 		US\$161.80
5	Controller	12/24V 20A	<ul style="list-style-type: none"> ·Overheating ·Over discharging ·Automatic light and time control ·Over charging·Load overload ·Load short circuit ·PV reverse polarity ·Battery reverse polarity ·Warranty: 5 years 		US\$20.60
6	Light Pole	10M	<ul style="list-style-type: none"> ·Material: Steel ·Height: 8m ·Diameter: 82-182mm, 3.75mm thickness ·With 1m single arm ·Flange: 350*350*18mm ·Hot deep galvanized and powder coating ·Working life ≥25 years ·With solar bracket ·With 4*M18*800MM anchor bolts and cable connection box ·With accessories including bolts, nuts and fasteners ·For wind: 45M/S ·Warranty 25years 		US\$215.00
EXW Price in one set					US\$691.90

Remark:
1.60 sets in one 40'HC
2.Certifications: ISO9001 CE RoHS for quality control.
3.Payment: TT(30% deposit and balance before shipment.)
4.Five years quality guarantee
5.This quotation keeps open for 15 days.
