Quotation on 40W LED Solar Street Light

NO.	Item	Parameter	Description	Picture	Unit Price (EXW USD)
1	Solar Panel	100W	<ul style="list-style-type: none"> Polysilicon solar panel Maximum power at STC: 100W/PCS Power tolerance: ±5% Working temperature: -40°C to 85°C Panel dimension: 1020×670×30×25mm Working life ≥ 20 years Warranty: 5 years 		US\$28.60
2	Led Lamp	40W	<ul style="list-style-type: none"> Model: 40W LED LAMP Power Factor: 0.98 Efficiency: 120lm/w Lumen: 4800lm Surge protection: 4/4 Temperature Rating: -40°C ~ +55°C Protection: IP65 Chip: Bridgelux TC: 3000-6500K Working life: ≥ 50000 hours High efficiency led lamp Aluminum model led lamp shell Warranty: 5 years Lamp dimension: 470*190*65mm 		US\$14.50
3	Battery	12V 80AH	<ul style="list-style-type: none"> Gel lead acid storage battery Nber of cycles at 80% of discharging: 600 Nber of cycles at 30% of discharging: 1800 Work TM: -35°C to 60°C Working life ≥ 10 years Warranty: 5 years 		US\$75.00
4	Battery Box	SX-XDCX	<ul style="list-style-type: none"> Plastic box waterproof Excellent performance in heat preservation Service life ≥ 20 years The product contains clamp, stainless steel screws, hose, sealing ring Warranty: 20 years 		US\$4.00

5	Wind Turbine	300W	<ul style="list-style-type: none"> ·300W high efficiency wind turbine ·Start-up air speed: 1.0 m/s, rated wind speed: 10 m/s ·Safety wind speed: 40m/s ·With 6 leaf installation the three screws, easy installation 		US\$60.30
5	Controller	12/24V 10A	<ul style="list-style-type: none"> ·Overheating ·Over discharging ·Automatic light and time control ·Over charging·Load overload ·Load short circuit ·PV reverse polarity ·Battery reverse polarity ·Warranty: 5 years 		US\$10.40
6	Light Pole	6M	<ul style="list-style-type: none"> ·Material: Steel ·Height: 6m ·Diameter: 65-140mm, 3mm thickness ·With 0.6m single arm ·Flange: 280*280*14mm ·Hot deep galvanized and powder coating ·Working life ≥25 years ·With solar bracket ·With 4*M18*600MM anchor bolts and cable connection box ·With accessories including bolts, nuts and fasteners ·For wind: 45M/S ·Warranty 25years 		US\$98.30
EXW Price in one set					US\$291.10

Remark:
1.120 sets in one 40'HC
2.Certifications: ISO9001 CE RoHS for quality control.
3.Payment: TT(30% deposit and balance before shipment.)
4.Five years quality guarantee
5.This quotation keeps open for 15 days.
